THE COORDINATOR'S CORNER

June 2013

Greetings from the World Bible School office in Cedar Park Texas!

As a WBS Coordinator, your leadership and guidance are crucial to the success of your congregation's teaching program. In order to help you stay up to date on WBS programs, resources and opportunities, I plan to send you this email six times per year (February, April, June, August, October and December). Please share it with your Study Helpers, and let me know how we can better serve you along the way. Now to this month's news….

NEW POSTAL PROGRAM GUIDE AVAILABLE

We have just revised the WBS Postal Program Guide! Designed to help new Coordinators and Study Helpers start and maintain postal teaching programs, the guide includes a section for Coordinators and a section for Study Helpers. It gives step-by-step guidance (with illustrations) on how to get started, how to prepare lessons for mailing, how to interact with students, etc.

To read or print the new Postal Program Guide:
- Go to www.worldbibleschool.net
- Click on "Resources" in the upper right corner of the page
- Click on "WBS Postal Program Guide"

Please take a look and tell me what you think.

GET CREATIVE!

Have you found a new or creative way to use WBS teaching materials? The church in Kirksville MO sure did, when they used the WBS Children's Series to teach a kids summer class at the local YMCA. Click on www.worldbibleschool.net/ideas/wbs-goes-to-the-y to read about it.   And let me know how you have used WBS in new or creative ways so I can share the news with others!

FAR AND WIDE

This Summer will be incredibly busy for the WBs staff. Collectively, we will be travelling to Australia, Thailand, China, Papua New Guinea and Zimbabwe on various WBS trips. Please pray for the success of each of these trips and for our safe travel.

FINALLY….

If you have questions, concerns or suggestions about how to make WBS even better I'd love to hear from you. Please contact me any time at:
