

## **WBS Donor Privacy Policy**

### **Our Commitment to Our Donors**

World Bible School (WBS) is committed to respecting the privacy of its financial and in-kind donors, whether the donation is made online, by mail or any other method. Financial donors and other constituents provide name and contact information and standard payment information, often including credit card data.

WBS uses industry safeguards to protect your information. Specifically, WBS relies on third-party vendors to process all credit card transactions who use extensive security measures in compliance with the Payment Card Industry Data Security Standard. This standard makes it extremely difficult for anyone to intercept the information you provide to us. We also employ a high level of internal security controls.

WBS has vendors that assist with processing and managing donations and donor data. These vendors are bound by strict confidentiality rules and are permitted to use donor data only to support the operations of WBS. We will otherwise not sell, share or trade our constituents' personal information with any other entity, nor will we send mailings to our donors on behalf of other organizations.
