

COORDINATOR'S CORNER

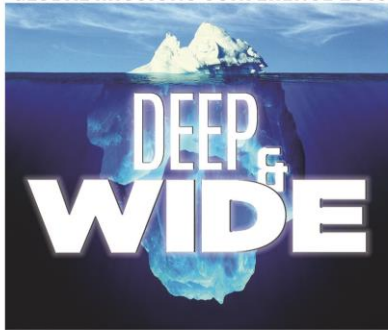

October 2019

ABBREVIATED COORDINATOR'S CORNER THIS MONTH

With the Global Missions Conference just days away, everyone at WBS is working hard to make sure this event happens in a truly first-class fashion. As a result, we're keeping this month's Coordinator's Corner "short and sweet". In December we'll be back to normal...with more updates and information for you.

GMC IS ALMOST HERE!!

Excitement is building for the 2019 Global Missions Conference, to be held October 10-12 at the Brentwood Oaks church of Christ in Austin TX! There is still time to register, and we would love to have you join us for this incredible event. Go to www.gmc2019.org to register, then come join us for 3 days of faith-building worship, discussion and sharing on a wide variety of topics related to global missions.

REMINDERS

- For all you readers new to Coordinator's Corner, we would love to visit your congregation to give a WBS presentation and conduct a training seminar for those interested in sharing Jesus with effective tools. Give us a call at 512-345-8190 to learn more!
- We have now conducted a total of six WBS Regional Seminars this year (in Austin, TX; Chattanooga, TN; Nashville, TN; Florence, AL; Abilene, TX and Searcy, AR). In each case we advertised widely in that area, inviting area congregations to join us. All told, almost 200 attendees representing 60 congregations came to learn more about how WBS can make a difference in their outreach efforts. If your congregation could host a seminar like this, give us a call to discuss the possibilities!
