NEW WBS OFFERINGS COMING SOON!

In late 2018, WBS began offering two new supplemental courses: *Lord Teach Us to Pray* and *Test the Spirits*. These courses were designed for study helpers to send to students needing additional study on the topics of prayer and miracles. Both courses include 13 lessons, making them perfect for use as Bible class curriculum. They were welcome additions to the *Guide to New Testament Christianity*, which has now been available for about three years.

Beginning this summer, WBS will offer 3 new supplemental courses. Shown at right, they are *Covenant Promises* (describing what law we live under today), *Covenant Considerations* (describing what that means today) and *Balancing Faith and Works* (to show the relationship between the two).

We expect to have these new supplemental courses in stock and ready to sell this summer. They will be priced at 60 cents per copy. All WBS supplemental courses are/will be available in print and online for WBS web study helpers to assign to students electronically. **Use these new tools to share Jesus today!**

MAKING POSTAL TEACHING WORK BETTER

Recently we have heard from congregations who are experiencing problems getting postal student answer sheets back from their students. In some cases, these difficulties have been ongoing for some time.

There can be many causes for such problems. Sometimes simple things like incorrect addressing, not including your code number on student answer sheets or not understanding how the Scanning/Dropbox process works can keep us from getting students' lessons back as we should. In some cases in-country and international mail systems may present huge problems as well. At times, requesting students from another country can help, and asking Sherri to send you completed "Short Intro" answer sheets from new students can help a lot! In fact, Short Intro answer sheets come from students who have already completed the Intro, and are ready now to receive *God Has Spoken!* Call Sherri and request Short Intro lessons today.

The bottom line is this: If you are experiencing problems receiving postal answer sheets back from your students, please call and discuss it with us. Let us troubleshoot your particular situation to see how we might be able to help. We are here to serve you, and often we can steer you in a direction that will prove more fruitful for your WBS teaching effort. Call us at 512-345-8190 and let's talk things over!

REMINDERS

- **WBS is expanding our Bible offerings soon.** Later this year, we will begin to offer a WBS Study Edition Bible in the New King James Version. This Bible will be similar in size to our current English Standard Version WBS Study Edition Bible. We will also offer an ESV "Presentation Bible", which will be about 40% larger than the current ESV, and will feature a leather cover, gold edges and a ribbon. Finally, we will also offer the WBS Study Edition Bible in French. We are excited about these new Bibles, and know they will open doors of opportunity for sharing the saving message of Jesus with more people around the world. Stay tuned for updates on when these new Bibles will be available.
- WBS will conduct two student seminars during our campaign in Zimbabwe this summer. Both will be held on June 13, from 9:30 am to 2:30 pm. Locations will be Harare Polytechnic College, Corner of Samora Machel Avenue & Prince Edward Road in Beit Hall, and Arda Nyarungu Dairy Training Centre, off Chitungwiza Road, Stoneridge Park, Harare South. Attendees can call 0773 080 205 by phone or WhatsApp for more information. Invite your Zimbabwe students in the Harare area to attend!
