FAREWELL TO THE PATTONS

This day has come too soon! I know that many of you have come to know and love Richard and LeeAnne Patton during the last four years as they worked to advance the ministry of WBS. I'm now sad to announce that they are leaving us to move back to their beloved Wyoming. We've been privileged to work with them and know that many of you have appreciated their service to the Lord and their help with your congregation's WBS program. We hate to see them go but know they will be a blessing to those in their new home.

AMAZON SMILE HELPS WBS!

The holiday season is just around the corner, and with it comes gift shopping. As you shop this year, there is a free way for your purchases to benefit the good work of WBS. When you make purchases on Amazon.com, Amazon will donate a portion of your purchase amount to WBS. This program, called AmazonSmile, is a simple and automatic way for you to support WBS every time you shop at Amazon, **at no cost to you!** To support WBS using AmazonSmile, do the following:

1. Go to <http://smile.amazon.com/ch/74-2254797> and log in to your Amazon account. This will designate WBS as the charitable organization you want to benefit from your Amazon purchases.
2. Then every time you shop at Amazon, log into smile.amazon.com instead of amazon.com. (It's the same Amazon site...same products, same prices, same service.) When you shop here, Amazon will donate .5% of the price of your purchases to WBS.

It's as simple as that, and when hundreds of people do this, it really adds up. (In the most recent three month period, Amazon donated \$631.80 to World Bible School. Since the Smile program began, they have donated a total of \$8,814.18 to WBS. Your purchases can make a big difference...enroll today!)

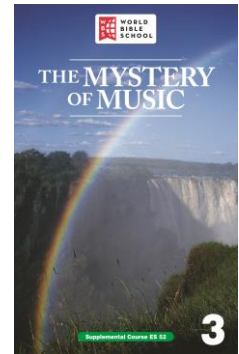

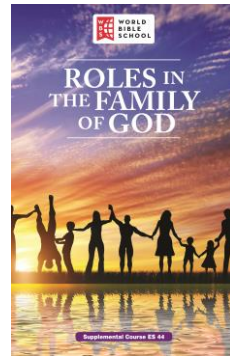

NEW COURSE: **REACHING THOSE SEEKING THE FAMILY OF GOD**

We're excited to add another Mathetis Bible class curriculum guide to the two already in place. "Reaching Those Seeking the Family of God" is now available for order! This 13-lesson guide is perfect for teaching a Bible class, and for helping class members get comfortable using the Mathetis tool so they can then use Mathetis to start their own study groups with their friends. This Reaching Series guide goes hand in hand with the Mathetis course entitled *Seeking the Family of God*, which is written for new Christians. *Seeking the Family of God* answers crucial questions like Am I in Christ? Where do I belong? How does God want me to live? Why are there so many different Christian religions?" It also helps us understand where we belong in Christ and how God wants us to live and worship in accordance with his will. To order this new Bible class curriculum guide, go to www.worldbibleschool.net/shop, email to orders@worldbibleschool.net or phone 877-393-0211.

NEW SUPPLEMENTAL COURSES

While the Master Series courses help seekers learn about God, Jesus, the church, how to obey the Gospel and how to mature after their baptism, WBS supplemental courses help students with other specific growth needs. We are happy to announce that two more supplemental courses will soon be available. The first of these new courses is entitled *Roles in the Family of God*. It addresses how each of us fits into God's plan and in his family, the church. The second new course, *The Mystery of Music*, addresses what God wants in our worship offering of music under the New Covenant. Each of these courses contains 13 lessons, making them perfect for quarterly Bible class studies, and for use in small groups or for your correspondence students. These courses contain 86 & 76 pages respectively, and cost only 80 cents each. You can't match the price and quality for such sound Bible teaching! These courses are currently "at the printer" and will be available for sale after their delivery in mid-December. If it's important for you to back-order these booklets, call Debbie at 877-393-0211.

WBS AUSTIN BENEFIT DINNER

The WBS Austin benefit dinner is just around the corner! This year's in-person dinner will be held at the Westside church of Christ in Round Rock, TX on November 9th at 6:30 pm CST, and will be livestreamed that evening as well. As shown on the left, this year's theme is "The Cure...true healing for the world". Truitt Adair, Chancellor, Sunset International Bible Institute, will be guest speaker. This event provides a great opportunity to learn how WBS is equipping Christians with tools that make it simple to share the Gospel and to hear reports about how lives are being changed as a result. Join us in person or plan a "watch party" for your congregation to participate virtually. To attend in person, RSVP by October 26 by writing to rsvp@worldbibleschool.net or

by calling 512-345-8190 (Be sure to tell us how many will be in your party.) To participate online, go to www.worldbibleschool.net/austin2021 that evening.
