

COORDINATOR'S CORNER

April 2022

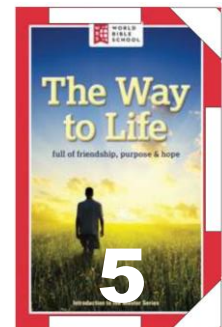

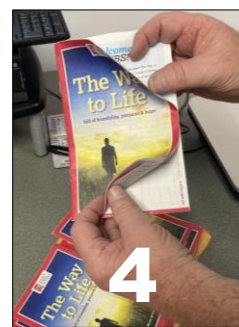

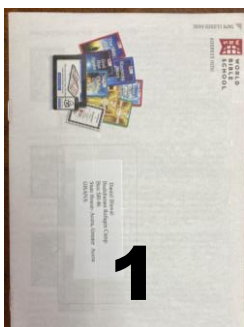

USE THESE WBS TOOLS FOR NO COST!

Two of World Bible School's amazing outreach tools have just gotten even better! Thanks to generous donors, you can now use Connect Web Targets and Mathetis unlimited group activations for free. Here are the details: **Web Targets:** If you have a Web Target with funds in your wallet, continue to adopt students. When your balance reaches zero dollars, keep adopting/teaching. You don't need to add more funds. If you want to create/use a new Web Target, you can now do so without cost. For questions write to help@worldbibleschool.net. **Mathetis Activations:** You can also now use all Mathetis online courses, including for unlimited groups, for free. If you are enrolled in a subscription plan, you will NOT be charged for future payments. For questions write to help@mathetis.org. Software changes to remove the Web Target wallet and Mathetis activations from the websites will be in place soon.

WBS INTERNATIONAL SHIPPING – LET'S NOT HINDER THE GOSPEL!

In a continuing effort to help postal study helpers be more successful in their WBS postal outreach, we are once again sharing examples of how **NOT** to prepare your WBS lessons for mailing. The examples below include (from left to right), **Images 1 & 2:** No return address on the outside of the Intro lesson, and an incorrect return address. U.S. postal regulations require a return address on the outside of the lesson that is a U.S. address, not the address of the service center in the student's country. We recommend using your church's P.O. Box number or physical address here and not the study helper's home address. **Image 3:** Using inferior scotch tape, which doesn't stay "stuck". This greatly increases the chances of the lesson being damaged in the mail system. Use only high quality tape and be sure it is **securely in place**. **Image 4:** Not taping the Intro lesson in 5 places as required. This also increases the likelihood of damage in the mail system. (See **Image 5** for proper taping technique.)

NATIONAL PRISON MINISTRY WORKSHOP

The **2022 National Jail & Prison Ministry Workshop** is just around the corner. This event, held annually to encourage and assist congregations engaged in jail and prison outreach, is a great way to learn more about this vital work. Attend if you can, and look for the WBS display and class as well. For registration information go to www.edgemerechurch.org, then look under the "Christ Prison Ministry" tab.

48TH NATIONAL
JAIL & PRISON MINISTRY WORKSHOP

FOR THE CHURCHES OF CHRIST

JUNE 8TH – 10TH 2022
Edgemere Church of Christ
4728 Neta Lane
Wichita Falls, TX 76302

BIBLES AS GIFTS AND AWARDS

It's that time of year again! High school and college graduations are just around the corner, with Vacation Bible Schools and Summer church camps to follow soon thereafter. Does your congregation give your graduating Seniors a Bible as a gift? WBS Bibles contain extensive study helps making them a wonderful study resource for your graduates. They make great awards for VBS and church camp attendees as well. To order WBS Bibles go to www.worldbibleschool.net/bible or call Debbie at the WBS office in Cedar Park at 877-393-0211.

REMINDERS

- Don't forget about **WBS Prison Bibles** (pictured above in blue). These ESV Bibles have identical content to the WBS ESV Study Edition Bible, but have a glued binding to facilitate their use in jails and prisons. They are priced the same as the brown cover ESV Bible, and are a great addition to existing or new jail and prison outreach ministries. Order yours today!
- As I write this, there are **2,413 students** listed on the WBS online Student Board. These are people who have registered to study with WBS and are waiting for a study helper. Due to our adoption of new technologies, we are now seeing **a lot more** students registering on the online site. These bigger numbers mean we need more study helpers to adopt and study with these seekers. **If you haven't already, please register to be an online study helper at www.worldbibleschool.net/teach.** When you receive your password, log in to www.worldbibleschool.org, click on the "Student Board" and adopt some students. Seekers are waiting for someone to help them. Please be that person, and please encourage others in your congregation to do the same.
- **Mathetis** offers 12 different study courses on a wide variety of topics. To view the courses, go to www.mathetis.org/courses. Form a study group with friends, select a course, and study together. The three Mathetis Originals courses can each be supplemented with a 13-lesson Bible class curriculum guide. Use this guide to teach the material in Bible class, and to help class members learn how to use Mathetis to start their own study group. Show others in your congregation how to use Mathetis to share with their friends as well. Order Mathetis Bible class curriculum guides at www.mathetis.org/shop.
- Is WBS visiting a congregation near you soon? Go to www.worldbibleschool.net/events to find out. If we are, come join us...we'd love to see you. If not, invite us to visit your congregation!
- **Did you know...?** You can adopt postal students from the worldwide student board on the WBS teaching website (www.worldbibleschool.org). Typically, postal students are available from a variety of countries. Check now to see if students are available in your country of interest.

HAVE QUESTIONS, CONCERNS, IDEAS?
